Dear [Salutation],

On 1 February, 2016 we mark the coming together of our business as Cleanaway Waste Management Limited, under ONE master brand – Cleanaway. Accordingly, as indicated in the 2015 Notice of AGM, our ASX listing code will change from TPI to CWY.

Presenting ourselves to the market as a united, total waste management provider removes confusion about who we are, leveraging our strength and market leading position in all segments.

Our new brand reflects our proud heritage and bright future. It marks the beginning of an exciting new chapter in our journey – taking Cleanaway from *good* to *great*. You will also notice that we have been able to include our Mission Statement of “making a sustainable future possible” as our sign off statement.

Our frontline staff are now proudly wearing their newly branded uniforms, and the first branded vehicles are out in the community, servicing customers. We have also launched a brand new website, which we encourage you to visit, at cleanaway.com.au.

Over the next six months, our 200+ sites and thousands of bins around the country will be rebranded, along with much of our fleet. We will complete our comprehensive rebranding program by June 2018. As our valued investor, we thank you for your patience, loyalty and continued support.

We are confident, and committed to delivering on our promise and potential – **making a sustainable future possible** for all our stakeholders.

Please remember to support *your* business, and call our team on 13 13 39 for all your own waste management needs – whether it's for a skip at home, or our full suite of tailored waste management services for your business.

Moving forward, we are ONE company, ONE brand, ONE operating way – *Cleanaway*.

Yours sincerely,

Martin Hudson
