

SECOND COMMUNITY DROP-IN SESSION – YOU ARE INVITED

Transpacific Cleanaway is an Australian waste management company. We are proposing to build and operate a Resource Management Facility in two stages at 50 Quarry Road, inside the existing Erskine Park industrial area.

We are committed to keeping you informed of our proposal and listening to your feedback.

The Environmental studies for the first stage (Waste Transfer Station) are nearly complete and we would like to invite community members and interested stakeholders to find out more.

When: Monday 12 October 2015

Time: Between 4pm and 8pm

Where: Erskine Park Community Centre Hall
57 Peppertree Drive, Erskine Park

RSVP: 1800 295 269 or via email erskine-park@cleanaway.com.au

This is your opportunity to learn about the outcomes of the studies before the Environmental Impact Statement (EIS) is formally submitted for approval.

We encourage you to drop in, meet the team and find out about the project between 4pm and 8pm.

We look forward to seeing you there.
