

COMMUNITY DROP IN SESSION – YOU’RE INVITED!

Transpacific is an Australian waste management company. We are proposing to build and operate an enclosed waste transfer facility at 50 Quarry Road, inside the existing Erskine Park industrial area. We are committed to keeping you informed of our proposal and listening to your feedback. Community members and interested stakeholders are invited to join us. This is your opportunity to view our current plans in detail; to meet the team; to gain an understanding of the project and the proposal’s benefits; and for the project team to gain valuable community input before we finalise our environmental assessment report.

When: Monday 11 May 2015

Time: Between 6pm and 8pm

Where: Erskine Park Community Centre Hall – 57 Peppertree Drive, Erskine Park

There will be no formal presentation. We encourage you to drop in and meet the team and find out about the project between 6pm and 8pm.

We look forward to seeing you there.
