the right bin

Easter special

Top recycling tip for Easter

“It takes one bad egg” as the saying goes, so separate your recycling before you dispose! Enjoy your chocolate eggs guilt-free this Easter by recycling your aluminium foil. By recycling aluminium, we save 95% of the resources used to make new material.

Remember to put only the right materials in the recycling bin to avoid contaminating good recycling with items that don't belong.

Foil

Collect into a golf sized ball and recycle

Chocolate

Enjoy with friends and family

Box

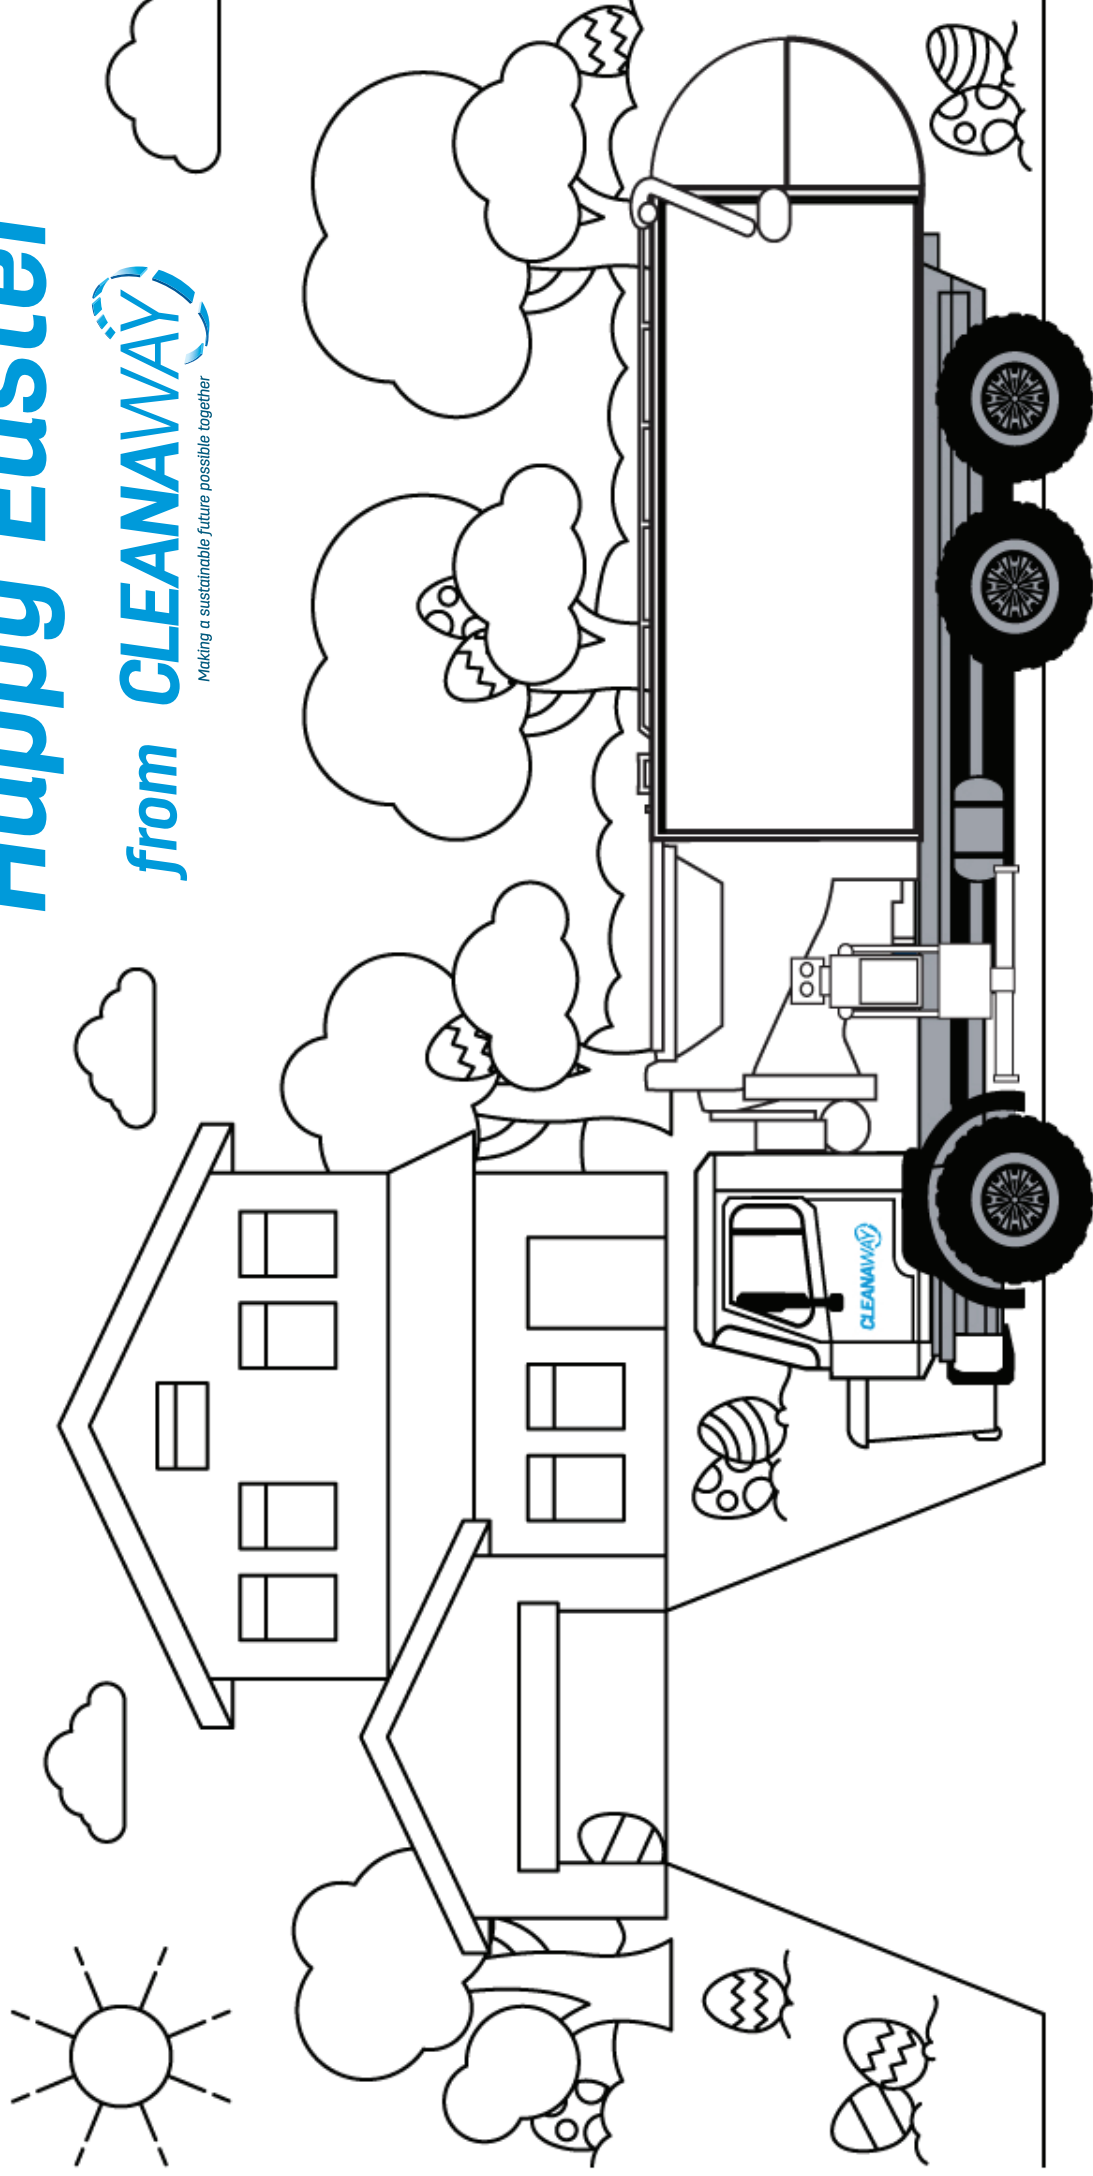

Flatten cardboard and recycle

Looking for Easter ideas? Here's a fun activity for the whole family. Simply colour the Easter greeting and paste it on your bins or your fridge!

Happy Easter

from **CLEANAWAY**
Making a sustainable future possible together

How to compost

Easter weekend is the perfect time to start those sustainability projects. Here's how you can use garden waste and food leftovers to make nutrient-rich compost that can improve soil quality.

Green waste

Rich in nitrogen

Fruits & veggies

Coffee grounds

Nuts & seeds

Hair & fur

Tea leaves/bags

Brown waste

Rich in carbon

Cardboard & paper

Garden waste

Sawdust from untreated timber

Avoid

Feces

Bones & meat

Cheese/dairy

Treated wood/
particle board

Rocks/building
rubble

Are you an Eco Champ?

Scavenger hunt

Game #1

Not everything can go in our yellow-lid recycling bin so its important to know what can and cannot. How do you know if something is recyclable? These symbols help tell us if it is recyclable in our yellow recycling at home. Read their description so you will know which bin to put your waste in!

Find the below items in your cupboard, check the label and tick which items can be recycled. Not every item has the label though!

This is **recyclable** at home

Follow **instructions** to recycle
