

Pollutant Monitoring Results - Surface Water & Discharge of Water

Environment Protection Licence Number:

5065

Licensee Name:

Lucas Heights Resource
Recovery Park

Facility
Address:

New Illawarra Rd Lucas
Heights, NSW, 2233

A copy of the full licence can be found on the POEO
Public Register
<http://www.epa.nsw.gov.au/prpoeoapp/>

Disclaimer - Monitoring data contained in this document is made available as required by Section 66(6) of the Protection of the Environment Operations Act 1997 and in accordance with the requirements issued in writing by the Environment Protection Authority. To the best of Cleanaway's knowledge, the data in this table is correct, except where specifically noted. The information and data in this table must not be published elsewhere by any means without prior consent from Cleanaway. For more details on publication of pollution monitoring data refer to the NSW EPA Website www.epa.nsw.gov.au

Comment:

*As per L2.5 The licensee is taken not to have breached the licence total suspended solids concentration limits for Point 1 and Point 22 if:

- a. the overflow is caused by a rainfall event; and
b. the licensee has taken all practical measures to avoid and minimise water pollution

Any exceedances in suspended solids during this reporting period were due to rainfall events.

** - Monitoring date pending
