

New Chum Community Reference Group

Meeting Agenda

Title: New Chum Community Reference Group

Date: Monday March 23 2015

Time: 6.00 – 8.00 pm

Facilitator: Nathan Williams

Venue: Ipswich City Council Administration Building, 50 South Street, Ipswich

Item	Details
1. Welcome & Apologies	
2. Review of Minutes	<p>Review of minutes from meetings from 28 January 2015</p> <ul style="list-style-type: none">• Update on Action Items• Confirmation of Minutes - and discussion on change of approach to summary report style• Updated Terms of Reference
3. Community Fund	<p>Update on last round of input & discussion of next steps – clarification of rationale of appointments</p>
4. Business Arising from previous minutes:	<p>Business Arising from previous minutes:</p> <p>1. Site Re-profiling - update on TPI's site re-profiling application to ICC.</p> <p>2. Update other matters currently awaiting an outcome - progress on Whole of Life Plan, application to ICC for sediment basin in the NW of the site, new Stormwater Management Plan.</p> <p>3. Regulated waste - information requested on current permits and current or intended applications for change.</p> <ul style="list-style-type: none">• The outcome of TPI's application to DEHP to take regulated waste into Cell 5B. Any further information on TPI's intention to accept regulated waste into Cells 4 and 3

	<ul style="list-style-type: none"> • Whether TPI has resubmitted to ICC their application OW3717/13 for Cell 5B designs? • Whether TPI has applied, or is intending to apply for any other permit changes under ERA 60 in relation to regulated waste, including changes to waste types, or an increase in the proportion of regulated waste from the current 10% of total waste accepted on-site? • Confirmation of current license arrangements including regulated waste types. IRATE understands that TPI are currently licensed to take the regulated waste types that are acceptable under the QLD Environmental Protection Regulation 2008 and seek confirmation of what materials that entails. <p>4. New Asbestos Sub-cell - TPI and DEHP are asked to provide clarity and certainty as to whether or not TPI will require approval for a new Asbestos Sub-Cell to keep landfilling this material once Asbestos Sub-Cell 2 is full, and if so, where the new sub-cell is likely to be?</p> <p>Additional question on notice: "Was asbestos ever accepted into Cell 2 before the existence of Sub-Cell 2?"</p> <p>5. Concrete crushing - has concrete crushing begun? If not, what is the anticipated start date?</p> <p>6. Weighbridge position - please provide an answer to the question asked: "Is the weighbridge currently in the wrong location for geotechnical reasons?"</p>
5. Any other business	
6. Next Meeting	<p>Date of Next New Chum Community Reference Date to be determined – bimonthly, June 22nd 6pm-8pm., suggested.</p> <p>Venue – Ipswich City Council Administration Building, 50 South Street, Ipswich Time: 6 – 8.00 pm</p>
